MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Letter Contract No. SC-990 with Haller, Raymond & Brown, Inc., State College, Pennsylvania, Project AQUIATONE

1. This memorandum contains a recommendation submitted for approval of the Project Director. Such recommendation is set forth in Paragraph 6 hereof.

2. Letter Contract No. SC-990 provides for the delivery of 6 FRF indicators (D racks). While the first 6 units are estimated to cost \$55,551.20, which includes additional research and development, the future POG requirement for 13 to be ordered after 30 June is estimated to cost \$78,764.89. The unit price for the 19 would then be \$7,069.27. The basic research and development work on this item was previously done by another part of this Agency.

3. An amount of \$55,551.20 is being obligated during FY 1957 against AQUIATONE funds for this work. The signature below of the Comptroller signifies that funds are available for this contract. The letter contract contemplates a definitive contract by 1 August 1957.
